CLASS POEM

Twelve long years we have waited,
To approach our final day.
Laughing or crying,
Winning by trying;
Reaching out in our own ways.
Worries and sorrows often hinder our smiles,
But, still, we will not run.
Fears and pain,
May bring the rain;
But tomorrow will the sun.
Knowing, questioning, anticipating,
As to what our futures will be.
Today's pleasure,
Tomorrow's treasure;
Our destinies soon we will see.
We'll stand up proud and smile as we go,
Now we will lead the way.
Promising decisions,
Shaping visions;
Our future begins today.
